

Attention. . . K – 12 Teachers!

Natural Resources Teacher Workshop June 21—23

9:00am-4:00pm, Walla Walla Community College, Walla Walla, WA
Lunches and snacks are included!

Scholarships available!

Space is limited!

A \$40 non-refundable deposit is due with the registration and the remaining \$60 registration fee will be paid through a scholarship. This is available for the first 20 teachers to register by 4/30/10. You will receive lunches, snacks and tons of classroom materials. Classes are taught by resource professionals using hands-on, grade-appropriate lessons that you can use to teach your students about natural resource management. Credit: Earn 17 ESD 123 clock hours. Clock hour fees are separate and the responsibility of the registrant.

Franklin Conservation District

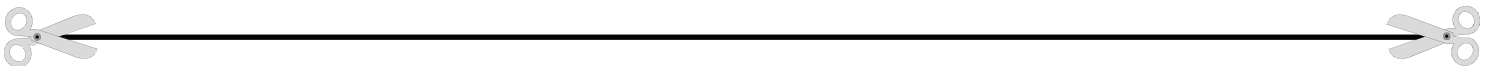

The three days include:

- Project Learning Tree
- Rock and Mineral Kits
- Project Wet
- Nature and Science
- Agricultural Products
- Project WILD
- Forest Products
- Tour of Whitman Mission
- Salmon Education Trunk
- Mineral Education Activities

Here's What Teachers Are Saying About Other NNRI Workshops!

- "The workshop was outstanding. The quality of presenters was beyond belief. I learned so much and got such wonderful ideas. I can't wait to present them to my students. Thank you for a fabulous workshop!"
Kindergarten Teacher, Coeur d'Alene, ID
- "Fantastic class for learning how to make hands-on science with many, many hands-on materials provided"
4th Grade Teacher, Tacoma, WA
